

At the age of 2 my parents entered me into skating, and I now have been skating for 18 years. I currently have my Gold Level in Skills and Dance and I am working towards my Diamond Dance Level. I am primary STARSkate trained, working towards my full certification. In my spare time I enjoy snowmobiling, hanging out with friends and relaxing at home.

If you have any questions, you can contact me at 519-377-0515.
